## Program

Our preschool is dedicated to providing the best possible Christian education for the young child. Our curriculum is designed to:

- Encourage the joy of learning through creative art, games, science, nature, music, and cooking
- Stimulate intellectual growth through hands-on and discovery learning
- Develop large and small muscle coordination
- Promote sharing and healthy social interaction through group activities
- Provide field trips and special events with parent participation
- Help students to be academically and emotionally ready for the Kindergarten arena
- Extended class students will be given additional opportunities in math, science and reading.
- Nurture faith and love of God
